INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Camden County Municipal Joint Insurance Fund
9 Campus Drive, Suite 216
Parsippany, NJ 07054

Report on the Financial Statements

We have audited the accompanying financial statements of the Camden County Municipal Joint Insurance Fund (the "Fund") as of and for the years ended December 31, 2018 and 2017, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and in compliance with audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Fund as of December 31, 2018 and 2017 and the changes in its financial position and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and other required supplementary information listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Camden County Municipal Joint Insurance Fund's basic financial statements. The accompanying supplementary schedules as listed in the table of contents are not a required part of the basic financial statements and are presented for purposes of additional analysis. The accompanying supplementary schedules listed in the table of contents are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 24, 2019 on our consideration of the Fund's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Fund's internal control over financial reporting and compliance.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Camden County Municipal Joint Insurance Fund
9 Campus Drive, Suite 216
Parsippany, NJ 07054

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and in compliance with audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements of the Camden County Municipal Joint Insurance Fund (the "Fund") as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements, and have issued our report thereon dated June 24, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Fund's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, we do not express an opinion on the effectiveness of the Fund's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Fund's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

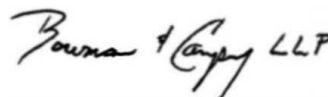

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards and audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards and the audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND

Management's Discussion and Analysis - Unaudited

This section of the annual financial report of the Camden County Municipal Joint Insurance Fund (the "Fund") presents a discussion and analysis of the financial performance of the Fund for the years ended December 31, 2018, 2017 and 2016. Please read it in conjunction with the basic financial statements that follow this section.

Overview of Basic Financial Statements

The Fund's basic financial statements are prepared on the basis of accounting principles generally accepted in the United States of America for governmental entities and insurance enterprises where applicable. The primary purpose of the Fund is to provide property and casualty insurance coverage for municipalities that are members of the Fund. The Fund maintains separate enterprise funds by incurred years and line of coverage. The basic financial statements are presented on an accrual basis of accounting. The three basic financial statements presented are as follows:

Comparative Statements of Net Position – This statement presents information reflecting the Fund's assets, liabilities and reserves and net position. Net position represents the amount of total assets less total liabilities and reserves.

Comparative Statements of Revenues, Expenses, and Changes in Net Position – This statement reflects the Fund's operating revenues and expenses, as well as non-operating items during the reporting period. The change in net position for an enterprise fund is similar to net profit or loss for any other insurance company.

Comparative Statements of Cash Flows – The comparative statements of cash flows is presented on the direct method of reporting, which reflects cash flows from operating, investing and noncapital activities. Cash collections and payments are reflected in this statement to arrive at the net increase or decrease in cash for the year.

Financial Highlights

The following tables summarize the net position and results of operations for the Fund as of and for the years ended December 31, 2018, 2017 and 2016.

Financial Highlights Continued

The Fund's total assets increased by 7.6% and total liabilities decreased by 24%. "Investment in Joint Ventures" which represents its share of surplus retained in the Municipal Excess Liability Joint Insurance Fund, the Municipal Excess Liability Residual Claims Fund, and the Environmental Joint Insurance Fund decreased by 4.1%.

Assessments and other income decreased by .7%, reflecting decreased budgets for claims and decreased exposure for existing members. The Fund recognized an Operating Income of \$533,407 representing a decrease of \$4,367,081 from 2017, which experienced operating income of \$4,900,488. The change was primarily due to 228.3% increase in the provision for claims and claims adjustment expenses.

Investment income increased by 171%. Of the increase, a 76.8% increase is related to interest income received on investments.

For 2018, the Fund paid a dividend to its members of \$866,365, representing \$750,000 paid from closed years and a pass through of \$116,365 in E-JIF dividends.

The Fund's combined net position for all years decreased by \$193,616, or 104.1%.

Economic Conditions

The future financial position of the Fund will be impacted by medical costs trends that impact upon workers compensation costs. The Fund continues to attempt to offset these trends by reducing accident frequency and severity, and by streamlining claims processing and management. Additionally, to address this cost area the Fund participated in the "Focus Group" program. The Fund plans to continue to manage its assets in such a way that it maintains liquidity and safety, while increasing earnings when opportunities arise.

Contacting the Fund's Management

This financial report is designed to provide the Camden County Municipal Joint Insurance Fund members and the Department of Banking and Insurance of the State of New Jersey with a general overview of the Fund's finances and to demonstrate the Fund's accountability for the public funds it receives. If you have any questions about this report or need additional financial information, contact the Executive Director of the Camden County Municipal Joint Insurance Fund office located at 9 Campus Drive, Suite 216, Parsippany, New Jersey 07054 or by phone at (201) 881-7632.

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 1: ORGANIZATION AND DESCRIPTION OF THE FUND

On February 1, 1987, the Camden County Municipal Joint Insurance Fund (the "Fund") was formed in accordance with P.L. 1983, C.372, entitled "An Act Concerning Joint Insurance Funds for Local Units of Government", and supplementing Chapter 10 of Title 40A and N.J.S. 11:15-3 of the New Jersey Statutes. The Fund is operated in accordance with regulations of the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey for the purpose of securing significant savings in insurance cost as well as providing stability in coverage.

The Board of Commissioners of the Fund may approve membership by a two-thirds vote or may terminate any member by a majority vote, after proper notice has been given. New memberships are effective upon approval by the Commissioners of Banking and Insurance and Department of Community Affairs. Early terminations require prior approval by the Commissioner of Banking and Insurance. The members of the Fund must also be members of the Municipal Excess Liability Joint Insurance Fund ("MEL").

During 2018, members of the Fund included: Audubon Park Borough, Audubon Borough, Barrington Borough, Bellmawr Borough, Berlin Borough, Berlin Township, Brooklawn Borough, Chesilhurst Borough, Clementon Borough, Collingswood Borough, Gibbsboro Borough, Gloucester City, Haddonfield Borough, Haddon Township, Hi-Nella Borough, Laurel Springs Borough, Lawnside Borough, Lindenwold Borough, Magnolia Borough, Medford Lakes Borough, Merchantville Borough, Mount Ephraim Borough, Oaklyn Borough, Pine Hill Borough, Runnemede Borough, Somerdale Borough, Voorhees Township, Winslow Township, Woodlynne Borough, Tavistock Borough, Pine Valley Borough, Cherry Hill Township, Camden Parking Authority, and Cherry Hill Fire District.

All members' contributions to the Fund, including a reserve for contingencies, are based on actuarial assumptions determined by the Fund's actuary. The Commissioner of Banking and Insurance may order additional assessments to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations.

The Fund offers the following coverages to its members:

- Workers' compensation and employers' liability.
- Liability other than motor vehicles.
- Property damage other than motor vehicles.
- Motor vehicles liability and damage.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the more significant policies followed by the Fund in the preparation of the accompanying financial statements:

Component Unit

In evaluating how to define the Fund for financial reporting purposes, management has considered all potential component units. The decision to include any potential component units in the financial reporting entity was made by applying the criteria set forth in GASB Statements No. 14, *The Financial Reporting Entity*, as amended by GASB Statement No. 39, *Determining Whether Certain Organizations are Component Units*, GASB Statement No. 61, *The Financial Reporting Entity*:

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Component Unit (Cont'd)

Omnibus - an amendment of GASB Statements No. 14 and No. 34, and GASB Statement No. 80, Blending Requirements for Certain Component Units – an amendment of GASB Statement No. 14. Blended component units, although legally separate entities, are in-substance part of the primary entity's operations. Each discretely presented component unit would be or is reported in a separate column in the financial statements to emphasize that it is legally separate from the primary entity.

The basic-but not the only-criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations, and accountability for fiscal matters. A second criterion used in evaluating potential component units is the scope of public service. Application of this criterion involves considering whether the activity benefits the primary entity.

A third criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the primary entity is able to exercise oversight responsibilities. Finally, the nature and significance of a potential component unit to the primary entity could warrant its inclusion within the reporting entity.

Based upon the application of these criteria, the Fund has no component units and is not includable in any other reporting entity.

Basis of Presentation

The financial statements of the Fund have been prepared in accordance with accounting principles generally accepted in the United States of America applicable to enterprise funds of State and Local Governments on a going concern basis. The focus of enterprise funds is the measurement of economic resources, that is, the determination of operating income, changes in net position (or cost recovery), financial position and cash flows. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. Enterprise funds are accounted for using the accrual basis of accounting.

Revenues - Exchange and Non-Exchange Transactions - Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value is recorded on the accrual basis when the exchange takes place. Member Assessments are recognized as revenue at the time of assessment.

Expenses - On the accrual basis of accounting, expenses are recognized at the time they are incurred.

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Cash, Cash Equivalents and Investments

Cash and cash equivalents include petty cash, change funds and cash in banks and all highly liquid investments with a maturity of three months or less at the time of purchase and are stated at cost plus accrued interest. Such is the definition of cash and cash equivalents used in the comparative statements of cash flows. U.S. treasury and agency obligations and certificates of deposit with maturities of one year or less when purchased are stated at cost. All other investments are stated at fair value.

New Jersey governmental units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments, which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the governmental units.

Additionally, the Fund has adopted a cash management plan that requires it to deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act. In lieu of designating a depository, the cash management plan may provide that the local unit make deposits with the State of New Jersey Cash Management Fund

Valuation of Investments

Among the Fund's investment objectives are preservation of principal, diversification, and maximization of interest yield. The Fund invests in government securities with the intent of holding them until maturity. Investments are reported at fair value. Realized and unrealized gains and losses on investments are recognized as a component of investment income.

Annual Contributions

Annual contributions are based on loss funds as determined by the Fund's actuary and are received in two installments. Total contributions are recognized as earned revenue evenly over the annual contract period or period of risk, if different. All past due contributions bear interest at the rate established annually by the Executive Committee.

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Supplemental Contributions

The Executive Committee shall by majority vote levy upon the participating municipalities additional assessments wherever needed or so ordered by the Commissioner of Banking and Insurance to supplement the Fund's claim, loss retention or administrative accounts, after consideration of anticipated investment income, to assure the payment of the Fund's obligations. Supplemental contributions to cover a deficit are recognized as revenue upon approval whether or not actually received.

Investment Income Allocation

Interest accruals, interest payments on cash instruments, net of investment management fees, and unrealized gains and losses on the fair value of investments are allocated every month based upon each line of coverage's share of opening cash and investment balances.

Unpaid Claims Liabilities

The Fund establishes claims liabilities based on estimates of the ultimate cost of claims (including future claim adjustment expenses) that have been reported but not settled, and of claims that have been incurred but not reported. The length of time for which such costs must be estimated varies depending on the coverage involved. Because actual claims costs depend on such complex factors as inflation, changes in doctrines of legal liability, and damage awards, the process used in computing claims liabilities does not necessarily result in an exact amount, particularly for coverage's such as general liability. Claims liabilities are recomputed periodically using a variety of actuarial and statistical techniques to produce current estimates that reflect recent settlements, claim frequency and other economic and social factors. A provision for inflation in the calculation of estimated future claims costs is implicit in the calculation because reliance is placed both on actual historical data that reflect past inflation and on other factors that are considered to be appropriate modifiers of past experience. Adjustments to claims liabilities are reflected in reserves and cumulative expenses in the periods being reported upon.

A. **Reported Claims Case Reserves**

Case reserves include estimated unpaid claims cost for both future payments of losses and related allocated claim adjustment expenses as reported by the service agent, AmeriHealth Casualty Services, Inc.

B. **Claims Incurred But Not Reported (IBNR) Reserve**

In order to recognize claims incurred but not reported, a reserve is calculated by the Fund's actuary, The Actuarial Advantage, Inc.

Case and IBNR Reserves represent the estimated liability for the expected future development of claims already reported to the Fund plus claims incurred but not yet reported and unknown loss events that are expected to become claims. The liabilities for claims and related adjustment expenses are evaluated using Fund and industry data, case basis evaluations and other statistical analyses, and represent estimates of the ultimate net cost of all losses incurred through December 31, 2018. These liabilities are subject to variability between estimated ultimate losses determined as described and the actual experience as it emerges, including the impact of future changes in

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Unpaid Claims Liabilities (Cont'd)

claim severity, frequency, and other factors. Management believes that the liabilities for unpaid claims above are adequate. The estimates are reviewed periodically and as adjustments to these liabilities become necessary, such adjustments are reflected in cumulative operations.

Excess Coverage

Coverage in excess of the Fund's self-insured retention limit is provided through the Fund's membership in the Municipal Excess Liability Joint Insurance Fund as described in Note 6.

Fund Transfers

Inter-fund transfers are made upon the expressed approval of the Executive Committee, following prior written notification to the Commissioners of the Department of Banking and Insurance and the Department of Community Affairs.

Inter-year fund transfers require prior approval of the Department of Banking and Insurance and the Department of Community Affairs. The fund may seek approval from the Commissioners to make interyear fund transfers at any time from a claims or loss retention trust account from any year, which has been completed for at least 12 months. The inter-year fund transfer may be in any amount subject to the limitation that after the transfer, the remaining net current surplus must exceed 35 percent of unpaid claims for that year.

Claims must be undiscounted; the IBNR reserve must be certified by an actuary and the membership for each year involving inter-year fund transfers must be identical.

All fund transfers are recognized at the time actual transfers take place.

Subrogation

Subrogation and all other recoverable claim amounts, excluding excess insurance, are recognized upon receipt of cash only.

Return of Surplus/Dividends

Refunds (dividends) are recognized upon authorization of the Executive Committee. Any moneys for a Fund year in excess of the amount necessary to fund all obligations for that year as certified by the Fund's actuary may be declared to be refundable by the Fund no less than twenty-four months after the end of the year. The initial and any subsequent refund for any year from a Claim or Loss Retention Account is subject to the limitation that after the refund, the remaining net current surplus must exceed thirty-five percent of unpaid claims for that year. In later years, the Fund can seek annual approval for payment of refunds from a Claim or Loss Retention Account remaining from any year, which has been completed for at least thirty-six months or longer and may include such refund payments with initial refund payments from the preceding year. A full and final refund is not allowed until all Case reserves and IBNR reserves are closed.

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Administrative Expenses

Administrative expenses are comprised mainly of compensation for services rendered by servicing organizations and appointed officials pursuant to written fee guidelines submitted and approved by a majority of the Commissioners/Executive Committee. In instances where invoices have not been submitted for specific periods, the maximum allowable contract amount has been accrued.

Net Position

In accordance with the provisions of the Governmental Accounting Standards Board Statement 34 "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments", the Fund has classified its net position as unrestricted. This component of net position consists of net positions that do not meet the definition of "restricted" or "net investment in capital assets" and includes net position that may be allocated for specific purposes by the Board.

Income Taxes

The Fund is exempt from income taxes under Section 115 of the Internal Revenue Code.

Operating and Non-Operating Revenues and Expenses

Operating revenues include all revenues derived from member contributions. Non-operating revenues principally consist of interest income earned on various interest-bearing accounts and on investments in debt securities and positive changes in the Fund's investment in joint ventures.

Operating expenses include expenses associated with the fund operations, including claims expense, insurance and administrative expenses. Non-operating expenses include negative changes in the Fund's investment in joint ventures.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Note 3: CASH AND CASH EQUIVALENTS

Custodial Credit Risk Related to Deposits

Custodial credit risk is the risk that, in the event of a bank failure, the Fund's deposits might not be recovered. Although the Fund does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000 of governmental deposits in each insured depository is protected by

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 3: CASH AND CASH EQUIVALENTS (CONT'D)

Custodial Credit Risk Related to Deposits (Cont'd)

the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the Fund in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings or funds that may pass to the Fund relative to the happening of a future condition. If the Fund had any such funds, they would be shown as Uninsured and Uncollateralized.

Of the Fund's bank balance of \$7,210,802 as of December 31, 2018, \$292,044 was insured while \$6,918,758 was collateralized under GUDPA.

Of the Fund's bank balance of \$5,515,347 as of December 31, 2017, \$277,171 was insured while \$5,238,176 was collateralized under GUDPA.

Note 4: INVESTMENTS

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Fund will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the Fund, and are held by either the counterparty or the counterparty's trust department or agent but not in the Fund's name. All of the Fund's investments in United States Treasury Bills and United States Treasury Notes of \$14,194,376 and \$14,020,261 as of December 31, 2018 and 2017, respectively, were held by either the counterparty or counterparty's trust department or agent, but not in the Fund's name.

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. To limit risk, the Fund's investment policy provides that no investment or deposit shall have a maturity longer than five (5) years from date of purchase.

Credit Risk

Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. N.J.S.A. 40A:5-15.1 limits the investments that the Fund may purchase such as Treasury securities in order to limit the exposure of governmental units to credit risk. The Fund has no investment policy that would further limit its investment choices.

Concentration of Credit Risk

The Fund does not place a limit on the amount that may be invested in any one issuer. All of the Fund's investments are in debt obligations.

As of December 31, 2018 and 2017, the Fund had the following investments and maturities:

Fair Value Measurements of Investments

The Fund categorizes its fair value disclosures within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted process in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The Fund has the following recurring fair value measurements as of December 31, 2018 and 2017:

United States Treasury Bills and United States Treasury Notes of \$14,194,376 and \$14,020,261 are valued using quoted market prices for identical assets (Level 1 inputs).

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 5: CHANGES IN UNPAID CLAIMS LIABILITIES

As discussed in Note 2, the Fund establishes a liability for both reported and unreported insured events, which includes estimates of future payments of losses and related allocated claim adjustment expenses.

The following represents changes in those aggregate undiscounted reported and unreported liabilities for the Fund during 2018 and 2017 for all open Fund years net of excess insurance recoveries:

	<u>2018</u>	<u>2017</u>
Total unpaid claim and claim adjustment expenses all fund years - Beginning	<u>\$ 7,973,032</u>	<u>\$ 10,530,785</u>
Incurring claims and claims adjustment expenses:

Changes in provision for insured events of prior fund years	<u>197,854</u>	<u>(2,980,438)</u>
Total incurred claims and claims adjustment expenses all fund years	<u>6,112,974</u>	<u>1,861,901</u>
Payments (Net of Recoveries):		
Claims and claim adjustments expenses:		
Attributable to insured events of current fund year	1,529,993	1,108,562
Attributable to insured events of prior fund years	<u>2,692,953</u>	<u>3,311,092</u>
Total payments all fund years	<u>4,222,946</u>	<u>4,419,654</u>
Total unpaid claim and claim adjustment expenses all fund years - End of Year	<u><u>\$ 9,863,060</u></u>	<u><u>\$ 7,973,032</u></u>
Analysis Of Balance:		
Due to Residual Claims Fund	\$ 930,502	\$ -
Net Reserves	<u>8,932,558</u>	<u>7,973,032</u>
	<u><u>\$ 9,863,060</u></u>	<u><u>\$ 7,973,032</u></u>

Note 6: MEMBERSHIP IN JOINT INSURANCE FUND

Municipal Excess Liability Residual Claims Fund

The Fund is currently a member of the Municipal Excess Liability Residual Claims Fund (the "Residual Fund"). The Residual Fund is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of assuming and discharging the liabilities associated with loss reserves of participating members. The transfer of loss reserves to the Residual Fund results in the closing of fund years and the unencumbering of the retained earnings related to the closed fund years. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the Residual Fund are elected.

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 6: MEMBERSHIP IN JOINT INSURANCE FUND (CONT'D)

Municipal Excess Liability Residual Claims Fund (Cont'd)

As a member of the Residual Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Residual Fund were to be exhausted, members would become jointly and severally liable for the Residual Fund's liabilities.

The Residual Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Insurance. These distributions are divided among the members in the same ratio as their individual assessment relates to the total assessment of the membership for that fund year. In accordance with Statement No. 10 of the Government Accounting Standards Board, these distributions are used to reduce the amount recorded for the Fund's membership assessment in the year in which the distribution was declared.

Municipal Excess Liability Joint Insurance Fund

The Fund is currently a member of the Municipal Excess Liability Joint Insurance Fund (the "MEL"). The MEL is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of providing excess insurance coverage to participating members. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the MEL are elected.

As a member of the MEL, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the MEL were to be exhausted, members would become jointly and severely liable for the MEL's liabilities.

The MEL can declare and distribute dividends to members upon approval of the State of New Jersey Department of Banking and Insurance. These distributions are divided among the members in the same ratio as their individual assessment relates to the total assessment of the membership for that fund year.

New Jersey Municipal Environmental Risk Management Fund

The Fund is currently a member of the New Jersey Municipal Environmental Risk Management Fund (the "Environmental Fund"). The Environmental Fund provides its members with various environmental related coverage.

The Environmental Fund is a risk-sharing public entity risk pool that is both an insured and self-administered group of joint insurance funds established for the purpose of providing low-cost insurance coverage for their respective members in order to keep local property taxes at a minimum. Each member appoints an official to represent their respective entity for the purpose of creating a governing body from which officers for the Environmental Fund are elected.

As a member of the Environmental Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Environmental Fund were to be exhausted, members would become responsible for their respective shares of the Environmental Fund's liabilities.

The Environmental Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Banking and Insurance. These distributions are divided among the members in the same ratio as their individual assessment related to the total assessment of the membership body.

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 7: RELATED PARTY TRANSACTIONS

As disclosed in note 6, the Fund is a member of the Municipal Excess Liability Residual Claims Fund, the Municipal Excess Liability Joint Insurance Fund and the New Jersey Municipal Environmental Risk Management Fund and has an ownership interest in those Funds.

Excess insurance premiums paid to the MEL for the years ended December 31, 2018 and 2017 were \$2,464,458 and \$2,536,655, respectively.

Excess insurance premiums paid to the Environmental Fund were \$313,705 and \$328,581 for the years ended December 31, 2018 and 2017, respectively.

During 2018 and 2017, the Fund was assessed \$919,433 and \$542,308, respectively, for the transfer of fund year 2014 and 2013 liabilities to the Residual Fund. In addition, the Fund invoiced the Residual Fund for 2014 and 2013 claims paid by the Fund subsequent to June 30, 2018 and 2017. As of December 31, 2018 and 2017, those reimbursable claims totaled \$0 and \$1,135, respectively.

Note 8: RETURN OF SURPLUS

During 2018, the Executive Committee approved a dividend in the amount of \$866,365, representing \$750,000 paid from closed years and a pass through of \$116,365 in E-JIF dividends.

During 2017, the Executive Committee approved a dividend in the amount of \$592,159, representing \$500,000 paid from closed years and a pass through of \$92,159 in E-JIF dividends.

Note 9: MEL JIF RETROSPECTIVE PROGRAM AND AGGREGATE EXCESS LOSS FUND CONTINGENCY ACCOUNT

MEL JIF Retrospective Program - As disclosed in notes 6 and 7, the Fund is a member of the Municipal Excess Liability Joint Insurance Fund and has adopted a retrospective rating premium approach to implement experience rated assessments for liability and workers' compensation coverages. The MEL billed 85% of the experience rated assessment in the first year and, should a member joint insurance fund exceed that amount, an additional assessment would be calculated based on each member joint insurance fund's retrospective rating modification. The retrospective rating modification is an experience rated factor and any additional assessments would be capped at 100%, 115% or 125% of that factor. Over a ten-year period (120 months), if a member joint insurance fund's liability and workers' compensation loss funds stay within the 85% threshold, there would not be an additional assessment.

In 2018, the Fund budgeted and assessed each member 100% of the MEL's layer of projected loss funds. The Fund will expense the liability and workers' compensation excess coverage premium for the actual amount billed by the MEL and record revenue at the full amount budgeted and billed its members.

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 9: MEL JIF RETROSPECTIVE PROGRAM AND AGGREGATE EXCESS LOSS FUND CONTINGENCY ACCOUNT (CONT'D)

The difference between the assessment billed to the Fund's members and the MEL's premium will be transferred to an Aggregate Excess Loss Fund Contingency within the Fund in January and will earn interest in the same manner as all other fund years. The net position within the Aggregate Excess Loss Fund Contingency of the Fund will be maintained by member in the same manner that the Closed Fund Years' net position is maintained. As future fund years continue to adopt this program, the same process will be followed and the member shares will be maintained on a weighted average of their contributions to the Aggregate Excess Loss Fund Contingency. If the MEL bills the Fund for an additional assessment, and the member does not have enough net position in its portion of the Aggregate Excess Loss Fund Contingency, the Fund could bill the member an additional assessment.

Aggregate Excess Loss Fund Contingency Account – During 2018 and 2017, the Fund assessed its members \$143,074 and 316,402, respectively, to establish an aggregate loss fund contingency account. The loss fund contingency account, including accrued interest represents a management designation of the fund's net position as of December 31, 2018 and 2017.

Note 10: SUBSEQUENT EVENTS

Subsequent to year-end, the following entities have joined the Fund:

- Gloucester Township
- City of Camden
- Winslow Fire District

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND
