This will serve as the annual renewal memorandum from the Underwriting Manager to all MEL members and Risk Management Consultants in preparation of the 2026 renewal.

Brief Renewal Overview

- Property While we are still well within hurricane season, global property losses this year continue to be within the anticipated losses for the industry, which indicates we can expect positive renewal results in terms of rates, coverages and capacity.
- ✓ Liability Underwriting appetite has slightly increased in the Liability space, but Public Entity continues to see a very small marketplace with difficult underwriting restrictions. The overall liability market is seeing a slowing rate of loss development increase ("social inflation"); however, even the most recent years continue to experience high single to low double-digit increases. Simply, losses continue to settle higher than expectations. Specific to the MEL, NJ has landed on some of the top Liability lists, such as #9 on the "Judicial Hellholes" list and #2 in tort costs as a percentage of state GDP.

We have continually discussed the two growing and crucial exposures of Aging Infrastructure and Sexual Abuse/Molestation, but Auto Liability is persevering as a loss leader and setting new records in frequency and severity.

- ✓ Workers' Compensation We are all intimately aware of our Workers' Compensation history, but it is worthwhile noting New Jersey is #1 in Workers' Compensation costs (175% higher than the median) and is #9 for Local Government Incident Rates.
- Cyber Cyber events continue to increase in frequency and severity, with some of the largest known claim costs in NJ local government coming in recent years. It's critical to be aware the events we continue to experience are still very typical types of events (social engineering, unpatched security, email compromise) and even just the Basic Security controls adopted by the Cyber JIF would prevent or minimize most losses.
- ✓ Public Officials & Employment Practices We continue to see an increase in the severity of our losses, but it is still at a very predictable rate. While there are some Public Officials claims (especially Land Use related) that will see large loss dollars, Employment Practice claims should be our focus due to their significant total loss dollars.

Other Reminders

- Fireworks & Amusements The MEL has a special underwriting program of approving any member-sponsored firework displays and amusement rides. No coverage is provided without such approval, and your submission should be provided well in advance of the event (not the day before).
- ✓ Skateboard Parks The MEL excludes skateparks until formal underwriting review is conducted.
- Vacant Property Please be reminded, Vacant Properties are only covered for Actual Cash Value unless
 otherwise formally requested and favorably reviewed by the JIF.
- ✓ Historic Property Please be reminded, Historic Properties listed on an official historic register (national, state or local) are eligible for special Historical Replacement Cost coverage; however, an official historic appraisal must be on file and sent to the Underwriting Manager to review.
- Builder's Risk Any projects with new square footage are required to be insured under Builder's Risk, whether by the builder or the MEL. All such projects over \$25m project value must be separately underwritten, so submit the application early.
- ✓ Shared Services Shared Service Agreements are a great tool, but we must remember that these are still service contracts. If you are receiving a professional service, such as Information Technology (IT) or Accounting/Finance, you should be requesting evidence of Professional Liability coverage.
- ✓ Renewal Certificates Renewal certificates are released in December. As such, it is crucial to review your Certificate Holder lists now.
- ✓ Automobile ID Cards The quantity of Auto ID Cards issued per member is determined based upon your schedule of vehicles in Origami. Ensure your records are updated to reflect all active Vehicles.
- ✓ Contact Information All renewal documents are distributed based upon the contact information in Origami. Ensure your records are updated so documents are sent to the appropriate place.
- ✓ Special Flood Hazard Area (SFHA) The JIF does not determine flood zones and has coverage limitations for locations within SFHAs. Specifically, the member's deductible in an SFHA is the maximum available limit from the NFIP, which is typically \$500,000.
- ✓ Statutory Bonds Please be reminded, statutory bonds must be underwritten for Treasurers, Library Treasurers, Tax Collectors and Utility Collectors, including CFOs performing Treasurer duties. When reviewing the Limit of Insurance required per the state requirements for Treasurers, ensure you are taking 10% of the revenues to identify the revenue band and corresponding limit required. MEL's automatic limit after approval is \$2m.

Police Command Staff Training

Invitation

Make-Up Session

We will be offering a Make-Up Session for the 2025 Police Command Staff
Training for the Carnden County Municipal Joint Insurance Fund and
Professional Municipal Management Joint Insurance Fund. This will be in-person
on the date listed below.

Details:

As part of their continuing commitment to Police Command Staff Training, the Camden County Municipal Joint Insurance Fund and Professional Municipal Management Joint Insurance Fund jointly sponsor a seminar on Police Risk Management. The seminar is intended for all Command Staff (Chief and Second-incommand) who manage or supervise other officers within your municipality. This includes but is not limited to Chiefs, Deputy Chiefs, Captains, Lieutenant, Sergeants, and Corporals. Attendance at bi-annual employment practices training is mandatory for Police Command Staff to comply with the MEL's 2025-2026 Employment Practices Liability (EPL) Plan of Risk Management. Failure to attend training can lead to costly litigation and may result in higher co-pays and deductibles for EPL.

Please forward this e-mail to your Police Department for their review and action. If you do not have a Police Department, you can disregard this invitation. Advanced registration is required for this in-person training.

Re: Flood Risk Control Program/ MEL members are entitled to specialized

Legal /Engineering consultation and assistance at no cost.

From: Joseph Hrubash, Executive Director

Frederick Semrau, Fund Attorney

As you may know, there has been a rash of lawsuits against communities alleging that residents suffered large losses because towns are negligent in controlling flood waters. The MEL's underwriters are ready to provide legal and engineering resources to assist MEL members, at no cost, in their efforts to implement flood risk control programs. Methfessel & Werbel has been retained to provide members with legal services and Boswell has been retained to provide engineering assistance. Methfessel & Werbel, P.C. will begin accepting

NOW EXTENDED calls on Monday, May 12th. Please reach out by July 31st.

Background:

In a recent decision, a jury awarded \$21.5 million in damages against a municipality because flooding damaged four houses during a 55-minute microburst that exceeded the standard for a 200-year storm. While the town had recently spent over \$1 million on stormwater improvements, the system proved inadequate to handle the excessive run-off. No one was even injured, and the property damage was less than \$400,000 in total. Yet, this case is now the largest award ever against a New Jersey municipality. The municipality is appealing. It is impossible to project the potential exposure against local government if this case holds. Imagine the potential liabilities during a hurricane or other major weather event.

The challenge faced by local government is that the drainage system covers the entire community, and conditions constantly change. It is not realistically possible to keep the system up to date.

When it adopted Title 59, the New Jersey Legislature recognized this problem and provided broad immunity for claims caused by obsolete designs if they were properly approved when first built or subsequently updated.

To utilize this design immunity, the governmental entity must establish that the design was in fact approved by the governing body or other appropriate authority before construction began. Approval also must be granted before any change orders. This should be done by resolution so there is a permanent record. The problem is that most towns lack complete records and therefore often can not qualify for this immunity.

Fortunately, Title 59 provided another way to qualify for immunity even if records are missing. Specifically, the Act provides that:

"A public entity is not liable for the exercise of discretion when, in the face of competing demands, it determines whether or not to utilize or apply existing resources ... unless a court concludes that the determination of the public entity was "palpably unreasonable."

This means that local government can take a reasonable amount of time to correct deficiencies. (See attached Model Resolution). For this reason, each year the five and tenyear capital budgets should update all infrastructure projects - including drainage. The New Jersey Department of Environmental Protection also requires towns to enact a Watershed Improvement Plan (WIP). These plans will need to be upgraded under the DEP's new MS4 regulations. The deadline for the first phase of the MS4 regulation is December 31st of this year.

Legal Services:

The MEL is offering its members legal services to assist with guidance for design immunity and scarce resource immunity defenses to stormwater/flooding claims. This consultation can be customized to an individual member's needs, i.e., questions and concerns with respect to certain projects that may or may not have been completed over the years. Additionally, the attorneys will discuss current case law on stormwater and flooding claims, as well as the interplay of the New Jersey Tort Claims Act. Each member will receive up to three hours of legal services at no cost.

Engineering Services:

The program also provides members with three hours of engineering consultation at no cost. Boswell Engineering will review a municipality's compliance with the NJDEP Municipal Separate Stormwater Sewer System (MS4) permit from an engineering perspective and identify any shortcomings and recommendations for cost effective solutions to meet the requirements.

Memo to: Camden County Municipal JIF Fund Commissioners

Subject: 2025 Safety Incentive Program - Optional Safety Award

Dear Fund Commissioner:

The Camden County Municipal Joint Insurance Fund is pleased to announce the continuance of the Optional Safety Award in connection with the Camden JIF Safety Incentive Program. Safety continues to be a priority for all our members. Due to the hard work and determination in reducing claims over the past several years by members of the JIF, the Fund is able to continue this popular award. We are pleased to announce that the award remains at \$1,000 per member to be used for safety-related purchases in 2025.

Attached please find information regarding the Optional Safety Award. Please feel free to contact Bradford Stokes at 856-552-6816 or bstokes@permainc.com or Karen Read at 856-552-4712 or kread@permainc.com if you have any questions.

Yours truly,

Michael Mevoli

Optional Safety Award

This program is designed to help members by offering a reimbursement for safety related expenses and to assist them in meeting their own safety objectives. Financial reimbursement will be provided for safety related items or safety training programs purchased by the member municipality up to \$1,000 per member. Some suggestions for eligible items are as follows:

| SAFETY ITEM SUGGESTIONS | SAFETY TRAINING SUGGESTIONS |
|----------------------------------------------------------|---------------------------------------------------|
| Safety Signs, posters | Subscription for tool box topics |
| AED's, eyewash stations | Safety Publications, Monthly Newsletters |
| Safety Equipment | Safety Manuals |
| Ergonomic assessments and accessories | Supplemental Training – not covered by MSI or EPL |
| Safety Attire (i.e. reflective vests, protective gloves) | Purchase of Safety Videos & DVD's |

Inadmissible Reimbursements

Please note that purchases made routinely within a municipality are not eligible for reimbursement. These items include such things as batteries, office supplies, office equipment, or janitorial supplies.

Reimbursement Instructions

Reimbursements will be made for <u>one time purchases of up to \$1,000</u>. The optional safety budget can not be split into multiple reimbursement amounts totaling up to \$1,000. Please hold your receipts until you have \$1,000 worth. The Fund can pay a vendor directly if desired.

Funds must be claimed by **December 31, 2025** and a signed voucher (see attached) must be submitted along with the appropriate receipts.

Please complete the shaded areas and marked Pay To, Address, Tax ID# (if paying vendor directly) and sign by Vendor's Signature.

Completed vouchers and receipts must be sent to the Executive Director's Office:

MSI LIVE

MSI LIVE features real-time, instructor-led in-person and virtual classes. Experienced instructors provide an interactive experience for the attendees on a broad spectrum of safety and risk control topics. Most MSI LIVE offerings have been awarded continuing education credits for municipal designations and certifications. The MSI LIVE catalog provides a description of the course, the intended audience, and available credits.

The MSI LIVE Schedule is available for registration. Please register early; under-attended classes will be canceled.

To maintain the integrity of the MSI classes and our ability to offer CEUs, we must abide by the rules of the State agency that issued the designation. Among those rules is that the class attendee must attend the whole session. Attendees who enter the class more than 5 minutes late or leave early will not be awarded CEUs for the course or receive a certificate of completion.

For virtual classes, the MSI utilizes the Zoom platform to track the time each attendee logs in and out. Also, we can track participation to demonstrate to the State agency that the student also participated in polls, quizzes, and question-and-answer activities during the class. The MSI maintains these records to document our compliance with the State agency.

If you need assistance using the MSI Learning Management System, please call the MSI Helpline at 866-661-5120 or email MSI@jamontgomery.com.

NOTE: We need to keep our list of MSI Training Administrators up to date. If there are any changes or deletions, or you need to appoint a new Training Administrator, please call the MSI Helpline at 866-661-5120 or email MSI@jamontgomery.com.

Employment Practices Compliance Program: As a reminder, every two years, the MEL asks its members to update their Employment Practices Compliance Program consisting of personnel manual, employment manual and training programs. The deadline for completion is November 1st. The Executive Director reminded members to make sure their labor or town attorney send in the required checklist by November 1st.

Safety Incentive Program – Optional Safety Award – The notice for the 2025 Optional Safety Award will be sent out in the next week. This is a \$1,000 reimbursable grant to members to purchase safety related items or training. All paperwork and vouchers must be returned to the fund office by the end of the year.

The Executive Director reviewed the Financial Fast Track on page 7 of the agenda which is the report for the second quarter. Camden JIF gained \$293,000 in surplus bringing the total to over \$9.2 million. This reflects the last two years, which have been very good and will hopefully continue. The Expected Loss Ratio Analysis for June for the Camden JIF is a little higher than the actuary's target of 15%, the Camden JIF stands at 19%. The Executive Director said the EPL Compliance report will be updated as the checklists are received into the fall. The remaining reports are for information purposes.

SAFETY DIRECTOR:

Risk Control Consultant Tom Reilly reviewed the monthly reports. Mr. Reilly said with heading back to school please prepare for the return of students and staff and school safety. Please remind employees to be aware of the increased traffic near schools and additionally make sure all crossing guards have been trained and properly outfitted prior to working their posts. Please remind crossing guards of the hazards associated with their duties. Mr. Reilly said they have asked police departments and public works departments to check the areas where children are crossing for proper signage. Also, please remind all employees working on or near roadways of the dangers they face while doing their jobs. There have been several recent incidents in the news where workers working on roadways have been killed. MSI offers training and work zone safety which includes setting up according to the TCD Standards, safety briefings and bulletins on work zone intrusions and proper safety gear.

Date: Monday September 8, 2025

To: Fund Commissioners

Camden County Municipal Joint Insurance Fund

From: Chairman Mevoli

Subject: September Report of the MEL JIF Meeting

Executive Director Report

Acknowledgement of Commissioner Joseph Wolk: A moment of silence was observed to honor Camden JIF Commissioner Joseph Wolk who passed away on June 10, 2025. Mr. Wolk was a founding commissioner of the Camden JIF and served on the MEL Board of Fund Commissioners for 33 years. In addition, Mr. Wolk was instrumental in the formation of and served as the first Chair of the Municipal Reinsurance Health Insurance Fund. The Board of MEL Fund Commissioner adopted a resolution celebrating the life and dedicated service of Commissioner Wolk. Camden JIF Chairman Michael Mevoli will serve as the Camden JIF representative for the balance of year.

Management Committee: Committee met on August 28, 2025; copies of the minutes were submitted for information.

Committee discussed these items and made the following recommendations for action at today's meeting: **2026 Rate Table and Preliminary Budget:** The proposed 2026 rate table and preliminary budget were presented. Preliminary budget is based on expiring underwriting data and experience modifications and did not include non-municipal JIFs. Budget introduction will be in October.

Legal Services: In October of 2024, the MEL Board adopted a resolution awarding a professional services contract to Anderson Kill, P.C. to serve as special counsel regarding a coverage dispute with General Reinsurance Corporation. Fund Attorney reported additional services are needed to resolve matter expeditiously and collect significant recoveries from prior excess workers' compensation carrier Board of Fund Commissioners adopted a resolution awarding Anderson Kill, P.C. a professional service agreement for the period of October 2025 through October 2026 for a fee not to exceed \$250,000.

Amicus Brief: The Warren Hills Board of Education is appealing the Appellate Division's published opinion in the matter of *J.H. v Warren Hills*. The decision would expand the scope of the Child Sexual Assault Act (amended in 2019) to extend the statute of limitations for common law claims that are related to sexual abuse of a minor. If this decision stands, it could lead to greater exposure for MEL members. Fund Attorney said the process of filing amicus briefs is really meaningful. Board of Fund Commissioners adopted a resolution appointing Brown & Connery to prepare an Amicus Brief in support of J.H. v Warren Hillson behalf of MEL members at an hourly rate of \$190 "not to exceed" \$20,000 annually.

Bylaw Amendment: In March 21, 2025, the Board adopted a resolution introducing proposed amendments to the MEL Bylaws and held the public meeting on June 9, 2025. Following the public

meeting, the proposed amendments were distributed to all nineteen (19) MEL joint insurance funds (JIFs). According to the bylaw amendment procedure, the amendment is adopted by the Fund when the governing bodies of three fourths (3/4) of the members approve the amendment within six (6) months of the hearing on the amendment. The JIFs were asked to submit a resolution by December 9th; to date, currently on file are thirteen (13) resolutions in support of the amendment. The remaining JIFs have a meeting scheduled for mid-September.

Professional Services: The majority of the professional services agreements expire at year-end; these were last procured via the competitive contract process for the 2021-2023 contract term with two 1-year renewals. The Fund office, MEL Qualified Purchasing Agent (QPA) and Fund Attorney at the direction of the appropriate subcommittee will be working together to issue the CCRFP documents for the next contract period; the MEL QPA has recommended limiting the terms to three years. The Fund office will work with the QPA to add language adding a requirement for professionals to commit to securing cyber liability insurance as well commit to certain cyber risk control measures.

MEL Safety Institute: Fund Attorney received and reviewed a memorandum from J.A. Montgomery that outlined a proposed process to address Law Enforcement Training. Management Committee recommended that the Law Enforcement training be incorporated into the Safety Director scope of services in the Competitive Contract RFP to be effective January 2026.

Fund Professional Procurements: Fund Attorney submitted a memo on alternate procedures in the event of a conflict of interest in the procurement of professional services. The memo outlined general responsibilities of MEL fund professionals, potential scenarios of conflicts of interest as well as identified the MEL sub-committees responsible for the evaluation of a submitted bid(s). Fund Attorney said the MEL has historically taken steps to avoid potential or appearance of conflict of interest and this memo documents and memorializes the process. The Board of Fund Commissioners accepted the recommendation of the Management Committee and adopted a Resolution memorializing the process on alternate procedures in the event of a conflict of interest in the procurement of professional services.

RCF Task Force: The development of claims that have been transferred to the Residual Claims Fund continues to deteriorate for reasons we have been discussing such as the change in pension offset, fireman's presumptive as well as an increase in workers compensation claim re-openings. The Audit Committee discussions included a suggestion that the RCF consider forming a Residual Claims Fund Task Force to include staff from the RCF Executive Director's and the Deputy Executive Director's office to find ways to stabilize this development. This was reported at the RCF's June Board meeting and the recommendation is to alter the scope of services for both fund professionals to address this. The Management Committee supports the Audit committee's suggestion to form an RCF Task Force.

Access to MEL Safety Institute-Somerset JIF: J.A. Montgomery sent the MEL Fund Attorney a memorandum in response to an inquiry they received from the Somerset County Joint Insurance Fund, a non-MEL affiliated JIF, requesting consideration to participate in the MEL Safety Institute. The memo noted the request could be accommodated and managed as is currently done for other non-MEL affiliated pools for an annual fee. The Board of Fund Commissioners accepted the recommendation of the Management Committee and adopted a resolution to extend the MEL Safety Institute access to the Somerset County JIF at an annual fee of \$50,000.

Stormwater Program: The Executive Director reminded the Committee that the MEL distributed to its members in May 2025 announcing the Stormwater/Flood Risk Control Program where MEL members were eligible for specialized legal and engineering consultation. Approximately 35 members have signed up for this service. The Management Committee recommends extending access to the

program from 7/31/25 to 12/31/25. Although participation has been slow, the Fund office will continue to be proactive in encouraging Member participation. It was noted that a number of members have executed the process independently. Board accepted the recommendation and to extend the Stormwater/Flood Risk Control Program through 12/31/25.

Health Insurance Crisis: As you may be aware, there is a health insurance crisis here in New Jersey, including NJ public entities. Executive Director said the State Health Benefits Plan has projected a 37% increase. It is expected that all health insurers and health insurance funds (HIFs) will also have large increases. In addition, health insurance programs are experiencing a period of heavy cash outlays. It was reported that some of the HIFs in NJ may have cash flow issues soon. It was noted that there is common membership among MEL member JIFs and NJ HIFs (163). Dave Grubb has been working with the HIFs and the state on this matter. A memo was submitted that summarized a recent meeting Dave Grubb and others had with DCA to discuss the current situation and the potential role of the JCMI to address cash flow shortfalls for HIFs if needed who have investments in JCMI program. The Management Committee referred the matter to the JCMI Operating Committee to consider and to draft parameters and a process for the MEL Board to further consider.

Coverage Committee: Committee met on August 18th and September 2nd; submitted for information were the minutes of both meetings. Committee made the following coverage recommendations effective January 1, 2026:

- 1. <u>Risk Control Requirement for Crime</u> to address the frequency of cyber-crime like social engineering and fraudulent wire claims, members will be asked to adopt the JCMI Banking Best Practices procedures. In the event of a claim, members will be responsible for a co-insurance provision capped at 20% of \$500,000 subject to the member JIF deductible.
- 2. <u>Interim Administrators</u> Additional language was added to the definition of public official to provide coverage to Interim Administrators whether they are an employee or independent contractor.
- 3. <u>Land Use & Abandoned Property</u> Under the Public Officials Liability policy, the recommendation is to provide defense-only costs limited to \$150,000 for claims related to land use or abandoned properties.

The MEL Board of Fund Commissioner accepted the recommendations of the MEL Coverage Committee as summarized.

Legislative Committee: Committee met on July 11th and minutes of the meeting were submitted for information. Committee is scheduled to meet next on September 19, 2025.

Marketing Committee: Committee is scheduled to meet on September 5th. Committee is working with the Marketing Manager to develop infographics to assist and educate members on available MEL resources.

Safety & Education Committee: Committee met on August 22nd; minutes of the meeting were submitted for information.

Claims Committee: This committee last met on June 9th and July 16th; minutes of these meetings are sent to the full MEL Board separately from the agenda.

In January, an additional \$250,000 was authorized to pay Qual-Lynx to add a property claims supervisor but terms between MEL and TPA were not reached. The MEL Board of Fund Commissioners adopted a resolution to rescind the authorization for 2025.

Purchasing Thresholds: The QPA has notified the Fund that the state has increased its minimum bid and quote thresholds. The MEL Board of Fund Commissioners adopted a resolution increasing the bid threshold.

Employment Practices Compliance Program: Every two years, the MEL asks its members to update their Employment Practices Compliance Program consisting of personnel manual, employment manual and training program. Submitted for information was a copy of the April 16th memorandum that was distributed to members. Commissioner Criscuolo suggested the MEL consider encouraging the volunteers members serving on various municipal committees and boards to complete training.

Background Checks: The MEL's "Protecting Children from Abuse" model policy calls for increased background checks and members were looking for assistance in identifying vendors. The Fund office worked with the QPA to issue a Request for Qualifications (RFQ) to obtain an updated list of service vendors. The QPA submitted a memo identifying a list of qualifying responses as follows: 1)Trionaid Associates, Inc, 2)TruView BSI, LLC, 3)NJ Global Consulting Services, Inc., 4) The Griffin Collective LLC, 5)Hire Honest (Welliver & Associates), 6) Command Investigations and 7) SRA Screening. The MEL Board of Fund Commissioners approved the list of qualified responders to be posted to the webpage.

Residual Claims Fund (RCF): Submitted for information was a copy of Commissioner Clarke's report on the RCF June meeting.

NJ Cyber JIF: The NJ Cyber JIF met on July 17th; submitted for information was the meeting report as well as a memorandum from the Underwriting Manager describing the differences between cyber incidents that are covered by the Cyber Policy and those covered in the Fund's Crime Policy. Cyber JIF is scheduled to meet next on September 18, 2025.

MEL 2025 Membership Renewals: All eleven (11) Joint Insurance Funds scheduled to renew their MEL membership effective July 1, 2025 have submitted executed agreements. There are no JIFs scheduled to renew membership January 1, 2026.

MEL Risk Manager Accreditation: The MEL is holding its second Risk Manager Accreditation Program scheduled for October 3rd and October 10th at the National Conference Center in East Windsor. A copy of the announcement distributed in August was submitted and the Fund office will be resending another copy to RMCs.

Power of Collaboration: Submitted for information was the latest in a series of advertisements to appear in the League Magazine. The ad highlights that the MEL has generated almost \$4.2 billion in savings to its membership since inception.

Underwriting Manager Report

2026 Pre-Renewal Webinar: The MEL Underwriting Manager will be hosting a 2026 pre-renewal webinar on Monday September 29, 2025 at 10:00am to cover the current state of the market and anticipated program changes. An email with a registration link that was distributed to members and risk management consultants.

Next Meeting: The next meeting of the MEL JIF is scheduled for Wednesday October 15, 2025 at 10:30AM at the DoubleTree by Hilton located at 390 Forsgate Drive, Monroe Twp. NJ 08831.

Memo to: Fund Commissioners

Camden County Municipal Joint Insurance Fund

From: Chairman Mevoli

Re: RCF September 2025 Meeting

2024 Budget Amendment: Following the public hearing, the Board of Commissioners reviewed and adopted the amended Fund Year 2024 Budget, which reflected the transfer of the Fund Year 2020 claims from the local JIFs as of 12/31/24. Enclosed as part of this report is the Amended 2024 Budget.

2026 Budget: The Board of Fund Commissioners reviewed the proposed 2026 Budget. Under the conditions of the Fund, the 2026 expenses cannot be directly charged to an expense line established in the 2025 budget.

Executive Director recommended the amount of \$997,000 be returned to the members from Fund Years 2009, 2010 and 2024 Contingency Accounts and the Board adopted Resolution 22-25 reflecting that recommendation.

In addition, the Board of Fund Commissioners voted to introduce on first reading of the 2026 Budget and to schedule the Public Hearing at the October 15, 2025 meeting to be held at DoubleTree By Hilton at 390 Forsgate Drive, Monroe, N.J. Enclosed as part of this report is the Proposed 2026 Budget.

RCF Task Force: The development of claims that have been transferred to the Residual Claims Fund continues to deteriorate for reasons we have been discussing such as the change in pension offset, fireman's presumptive as well as an increase in workers compensation claim re-openings. The MEL Audit Committee discussions at their meeting of June 2nd included a suggestion that the RCF consider forming a Residual Claims Fund Task Force to include staff from the RCF Executive Director's and the Deputy Executive Director's office to find ways to stabilize this development. This was reported at the RCF's June Board meeting. This was also recently discussed at the MEL Management Committee who also supports the recommendation. The recommendation to the Board is to alter the scope of services for 2026 Fund Year for both fund professionals to address this recommendation. Additional details on the expanded scope will be provided prior to at the October meeting and offered as part of the CCRFP procurement and respective 2026 reorganization resolutions in January.

Competitive Contracts: Competitive Contract RFPs are being prepared by the Fund office for the professional appointments for Administrator, Deputy Administrator, Attorney, Claims Supervision, Treasurer and Actuary. This does not include the position of Auditor as this position was awarded in January of this year for three years.

Board also agreed to implement the "alternate procedure process" adopted by the MEL. Resolution memorializing the process will be on the October agenda.

Following Executive Session, Board agreed to seek quotes for the services of a Fund Independent Accountant.

2024 Audit Filing. The RCF 2024 audit was filed with the New Jersey Department of Banking and Insurance (DOBI) and the New Jersey Department of Community Affairs (DCA) and the Synopsis of Audit was published in the Fund's newspaper.

Claims Committee: The Claims Review Committee met on June 4, July 16, and September 4, 2025. Meetings minutes were shared with the Commissioners.

Next Meeting: The next meeting of the RCF is scheduled for October 15, 2025 at the DoubleTree by Hilton, 390 Forsgate Drive, Monroe, NJ.

DATE: September 8, 2025

TO: Fund Commissioners

Camden County Municipal Joint Insurance Fund

FROM: Chairman Mevoli

SUBJECT: Summary of Topics Discussed at E-JIF Meeting

2026 BUDGET — Attached to this report, is the 2026 draft budget. The Finance Committee met on September 3, 2025 and recommended the 2026 budget as presented. The budget was introduced and approved by the Board and will be adopted at the Public Hearing scheduled for October 15, 2025 at DoubleTree by Hilton, 390 Forsgate Drive, Monroe, NJ.

2025 DIVIDEND - The Finance Committee is recommending a 2025 dividend of \$2,112,627. Resolution #26-25 authorizing a total return dividend of \$2,112,627 was adopted by the Executive Board and is subject to State approval.

EJIF WEBSITE UPDATE – The EJIF website is over 15 years old and requires a rebuild to bring it up to security standards. At the September Finance Committee meeting, three proposals were reviewed to rebuild the website. The Board of Commissioners accepted the committee's recommendation to retain Princeton Strategic Communications to rebuild the website.

COMPETITIVE CONTRACTS: Competitive Contract RFPs are being prepared by the Fund office for the professional appointments for Administrator, Actuary, Auditor, Treasurer, Underwriting Manager, Environmental Services and Claims Management.

Board also agreed to implement the "alternate procedure process" adopted by the MEL. Resolution memorializing the process will be on the October agenda.

Following Executive Session, Board agreed to seek quotes for the services of a Fund Independent Accountant.

REGULATORY AFFAIRS - PERMA filed the 2024 Year End Audit, Certification of the Audit adopted by the Executive Committee, Actuarial Valuation and Actuarial Certification with the Department of Banking and Insurance. In addition, the Synopsis of Audit was published in the Fund's newspaper.

NEXT MEETING - The next meeting of the EJIF is scheduled for October 15, 2025 at the DoubleTree by Hilton, 390 Forsgate Drive, Monroe, NJ.
